

# research in practice

## Autism inclusive practice

These resources aim to support the development of practice that is inclusive of autistic people and their families. Sometimes social care practice can leave autistic people feeling excluded. These resources support practitioners in developing inclusive and strength-based approaches.

### Read

Short read: [Neurodiversity in the social work profession: Views \(2024\)](#)

Short read: [Understanding autism with children, young people and adults: Views \(2024\)](#)

Longer read: [Working effectively with autistic older people: Research Summary \(March 2021\)](#)

Longer read: [Autism inclusive practice: Frontline Briefing \(2020\)](#)

Longer read: [Supporting people with learning disabilities to have positive sexual relationships: Frontline Briefing \(2017\)](#)

### Tools

[Digital inclusion. Using digital technology positively and safely: Practice Tool - Easy read version \(2022\)](#)

[Decision-making under the Mental Capacity Act 2005: Practice Tool \(2021\)](#)

### Watch

1 hour: [Autism Inclusive Practice: Recorded Webinar \(2020\)](#)

15 minutes: [Strengths-based practice: Film \(2020\)](#)

30 minutes (5 films): [Supporting neurodivergent practitioners in your social care organisation: Video learning resources \(2024\)](#)

3 minutes: [Myth-busting using the double empathy problem: Film \(2024\)](#)

### Reflect

Reflect on and record your CPD using the button on each resource page. You can also bookmark and share resources with colleagues. Log and review your reflections in '[Your CPD](#)'.

For more resources, explore the [autism inclusive practice topic page](#).
