

Adolescence

Adolescence is the stage between reaching puberty and transitioning to adulthood. It is a time of physical, cognitive and psychosocial growth and change - the period where resources, resilience, knowledge and skills are developed.

This selection of learning resources about adolescence can be used to support evidence-informed practice with young people and families.

Read

Short read: [Blurred boundaries: child exploitation, safeguarding and the criminal justice system: Views \(2020\)](#)

Longer read: [Trauma-informed approaches with young people: Frontline Briefing \(2018\)](#)

Longer read: [Interpersonal violence and abuse in young people's relationships: Frontline Briefing \(2020\)](#)

Longer read: [Supporting children and young people who identify as LGBTQ+: Frontline Briefing \(2025\)](#)

Longer read: [Reimagining residential children's homes: Residential care for adolescents. Right place, right time? Chapter five \(2021\)](#)

Longer read: [Multi-agency Practice Principles for responding to child exploitation and extra-familial harm \(2023\)](#)

Watch

50 minutes: [Developing Contextual Safeguarding as a local system \(2024\)](#)
